## YELLOWSTONE DAY ADVENTURE

### WHAT'S INCLUDED?

- Hot beverage service
- In-park transportation via a 14-passenger minibus and/or transit van
  - Round trip from Yellowstone Forever Headquarters in Gardiner, MT
- Six hours of educational programming with a Yellowstone Forever Field Educator
- High-powered spotting scopes and binoculars

***Gratuities for the Yellowstone Forever Field Educators are not included in the program costs but are recommended and greatly appreciated.***

The **Yellowstone Day Adventure** tour is perfect for those looking to get out for a day in the park. Yellowstone Day Adventures are designed for those who want to focus on viewing and learning about wildlife along Yellowstone's famous northern range and Lamar Valley.

Explore Yellowstone's diverse array of wildlife including bears, elk, bison, wolves, bighorn sheep, moose, and pronghorn. Our high-powered optics will allow you to experience these animals as we observe them in their natural habitats. This tour offers the opportunity to learn about and appreciate the beauty of Yellowstone's wildlife and landscapes.

Yellowstone Forever Field Educators will provide transportation, meals, and equipment for the day, take you to scenic park trails, and enhance your experience with stories and science behind Yellowstone. The day will be spent hiking with a Field Educator who will incorporate wildlife, history, ecology, and geology along the way, in addition to discussing issues that affect the Yellowstone ecosystem.

## COVID-19 HEALTH & SAFETY

Yellowstone Forever continues to adapt appropriate sanitization measures as prescribed by the Centers for Disease Control and Prevention (CDC). Guests are encouraged to refer to this respected resource when making near-term travel plans.

Yellowstone Forever is in frequent contact with local authorities and partners such as county health departments and the National Park Service to continually monitor the situation on a regional level. Both entities are closely monitoring government policy changes, CDC guidelines, government mandates, and public health advancements, and will continue to make changes as necessary and appropriate to operations.

These protocols have been updated as of May 2022, please visit our website: <https://www.yellowstone.org/covid-19-health-safety/> for up-to-date protocols and information.

## GENERAL EQUIPMENT & CLOTHING LIST

Much of the program time will be spent outdoors, and participants should be prepared for a variety of mountain weather conditions and temperatures. Appropriate clothing, equipment, and footwear are important. Summer temperatures can range from below freezing in the mornings to 85° Fahrenheit in the afternoons. The layered use of garments for protection against the wind, sun, and temperature extremes should guide clothing choices. **\*The Field Educator will be carrying a first aid kit, bear spray, and emergency communication device.**

### Equipment:

- **Daypack**, with enough capacity to carry extra clothes, water, lunch, camera, binoculars, etc.
- **Water bottle**, for our hiking programs, it is recommended to bring at least two liters of water with you for the day's activities
- **Sunglasses**
- **Sunscreen/Lip protector**, sun at high altitude can burn unprotected skin quickly
- **Optics**, camera and binoculars

### Clothing:

- **Insulating underwear**, capilene, polypropylene, wool, or similar wicking fabric
- **Midweight insulating layer**, a light synthetic fleece or wool shirt/pullover
- **Heavyweight insulating layer**, wool, down, or heavy-weight fleece jacket
- **Waterproof and windproof outer layer**, lightweight and breathable, jackets and pants
- **Pants**, wool, fleece pants are preferred, no cotton
- **Hat**, both a brimmed sun hat and an insulating hat for cool weather
- **Gloves**, lightweight glove liners and a pair of wool/fleece gloves or mittens
- **Socks**, specifically designed for hiking, that wick moisture
- **Hiking boots that provide stability and traction**, make sure they are broken in, comfortable, and do not cause hot spots or blisters

## CODE OF ETHICS

Yellowstone Forever is committed to demonstrating a high standard of appropriate and ethical behavior in Yellowstone. As a participant on a Yellowstone Forever program, participants will adhere to the following Code of Ethics. In addition to the ethics highlighted below, the Yellowstone Forever abides by all National Park Service rules and regulations, in addition to practicing Leave No Trace guidelines for traveling responsibly in the wilderness.

**Observing wildlife:** Groups will do their best to have as little impact on wildlife as possible. Animals will be observed from a distance, using high-powered spotting scopes to help keep the group presence from affecting their behavior. Participants should not expect to get close-up photographs of wildlife. Yellowstone Forever adheres to National Park Service regulations by keeping a minimum distance of 25 yards from bison, elk, bighorn sheep, deer, moose, coyotes, and nesting birds and 100 yards from bears and wolves. Wildlife will not be enticed with food, animal calls, or any actions that change their behavior.

**Leave what you find:** It is illegal to remove natural or cultural artifacts (plants, animals, bones, rocks, etc.) from Yellowstone. Yellowstone Forever educators have permission from the National Park Service to manipulate plants, rocks, bones, etc. for educational purposes and will return them to their natural positions and locations.

**General etiquette:** Yellowstone Forever groups will be considerate of other visitors and respect the quality of their experience. Voices and vehicle sounds carry great distances and affect both wildlife and people – remaining silent or very quiet while watching wildlife lets the sounds of Yellowstone (including wolf howls) prevail.

**Roads and vehicles:** Expect wildlife on the road and drive at or below the posted park speed limits. When stopping to observe wildlife or other park features, Yellowstone Forever field educators will move vehicles entirely off the road. If there is no safe pullout available, educators will drive to the next safe place and walk back to observe the wildlife. Yellowstone Forever will not stop in the middle of the road and should a traffic jam develop because of the group's activities, the activity will cease.

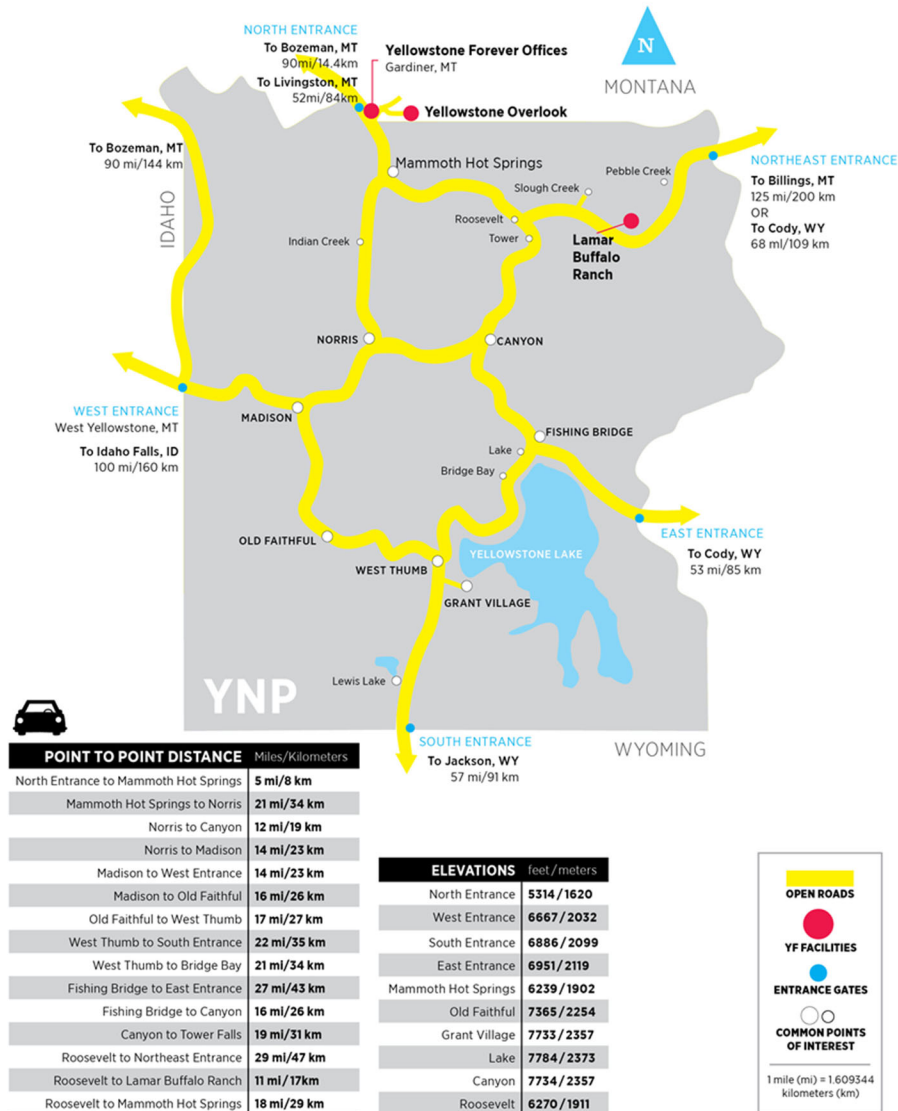

**Properly dispose of waste:** Participants will pack out all trash, leftover food, and litter. Field Educators will discuss techniques for properly disposing of human waste in the field.

**Traveling lightly:** When hiking or walking Yellowstone, groups will use existing trails and boardwalks. Hikers will follow appropriate techniques when walking off-trail – walking around muddy or wet places in the trail increases erosion and negatively affects the resource; proper equipment is essential to hiking ethically. Participants should come adequately prepared with the equipment listed for the program and should expect to walk through mud, snow, or puddles in the trail.
